

Philips Performer Active  
Vacuum cleaner with bag  
with AirflowMax  
technology

Energy efficiency class B

AirflowMax technology  
TriActive+ nozzle  
Remote control

FC8527/09

## Full performance

### Less energy consumption

The new Philips Performer Active delivers full cleaning performance thanks to the AirflowMax technology and the unique TriActive+ nozzle, engineered for high dust removal.

#### Remarkable cleaning results

- Energy efficiency class B
- New 3-in-1 TriActive+ nozzle picks up coarse and fine dust
- Revolutionary AirflowMax technology for extreme performance

#### Maximum convenience

- Remote control for no bend, with IR wireless technology
- 4L dust capacity for longer cleaning
- Reach all corners thanks to the extra long ergonomic grip

#### Clean air filter system

- EPA10 filter system with AirSeal for healthy air
- S-bag Classic Long Performance lasts up to 50% longer

Vacuum cleaner with bag with AirflowMax technology  
Energy efficiency class B AirflowMax technology, TriActive+ nozzle, Remote control

FC8527/09

# Highlights

## Energy efficiency class B

This vacuum cleaner is engineered to achieve full performance with an energy efficiency class B.

## AirflowMax technology

AirflowMax technology maximizes the airflow, allowing the dustbag to unfold uniformly, so you get high performance, even as the bag fills-up!

## TriActive+ nozzle

The TriActive+ nozzle applies 3 cleaning actions in one go: 1) It gently opens the carpet

with its specially designed soleplate to remove the dust deep down. 2) It sucks up big bits with its larger opening at the front. 3) It sweeps up the dust and dirt alongside furniture and walls with its two side brushes.

## Remote control

With the new remote control feature, you can switch the vacuum cleaner on/off or adjust the suction power settings without returning to the canister and interrupting your cleaning. The control buttons are conveniently located on the handle and the signals are sent to the canister via Infrared wireless technology. For a more comfortable and easier cleaning!

## 4L dust capacity

The specially designed 4L dust chamber allows you to make optimal use of your dust bag, so you can clean for longer.

## Extra long ergonomic grip

This ergonomically shaped grip is convenient in use. Its extra long design gives you farther reach, so you can easily clean hard to reach places.

## EPA10 Clean air system

EPA10 filter and AirSeal capture the finest dust before the air is blown out for a dust-free environment and clean, healthy air.

## Philips Green Logo

Philips Green Products can reduce costs, energy consumption and CO2 emissions. How? They offer a significant environmental improvement in one or more of the Philips Green Focal Areas – Energy efficiency, Packaging, Hazardous substances, Weight, Recycling and disposal and Lifetime reliability.

# Specifications

## Performance

- Energy efficiency rating: B
- Annual energy consumption: 33.5 kW h
- Carpet cleaning class: D
- Hard floor cleaning class: D
- Dust re-emission class: B
- Sound power level: 79 dB
- Input power (IEC): 750 W
- Airflow (max): 29,3 l/s
- Vacuum (max): 18,9 kPa

## Design

- Color: Cognac brown

## Filtration

- Dust bag type: s-bag Classic Long Performance
- Dust capacity: 4 l
- Exhaust filter: EPA10 washable filter
- Motor filter: Microfilter
- EPA AirSeal

## Usability

- Action radius: 9 m
- Cord length: 6 m
- Power control: Remote control
- Tube type: Metal 2-piece telescopic tube
- Tube coupling: Conical
- Wheel type: Rubber
- Carrying handle: Front
- Dust bag full indicator

## Nozzles and accessories

- Standard nozzle: TriActive+ nozzle
- Accessories included: Crevice tool, Small nozzle

## Sustainability

- Packaging: > 90% recycled materials
- User manual: 100% recycled paper

## Weight and dimensions

- Weight of product: 5.2 kg
- Dimensions of product (LxWxH): 447 x 304 x 234 mm
