- Backward compatible with USB 2.0 ports
- Available capacity: 128 GB**

SanDisk SecureAccess™ Software

Transfer a full-length movie in seconds!

Pro-grade performance of up to 60 times faster transfers than USB 2.0 drives* with a sizable 128 GB** of storage let you easily take your video and photo collections with you! With write speeds to drive up to 240MB/s*, you can transfer a full-length movie in seconds or 1000 photos in less than 35 seconds!

The sophisticated design and durable aluminum metal casing help to protect against everyday wear and tear on the outside, while the included SanDisk SecureAccess™ software provides 128-bit AES file encryption and password protection² on the inside, securing your private files while leaving the rest of the drive visible for sharing.

Enjoy performance, style and peace of mind with the SanDisk Extreme PRO® USB 3.0 Flash Drive, backed with a lifetime limited warranty³ and world-class customer support.
