

Seagate® GoFlex™ Slim Performance Drive

The GoFlex™ Slim performance drive's ultra-thin design is the optimal capacity addition for devices with limited storage.

Perfect for when you need to:

- Increase storage capacity for mobile devices
- Carry files with you anywhere and everywhere
- Read, write and share files between Mac and PC

The GoFlex™ Slim performance drive is the optimal capacity addition for portable devices with limited storage. The ultra-thin anodised case not only helps resist against damage while in transit, it also adds a unique and premium finish to the drive. It is about as thick as a pencil, allowing you to slide it into a computer case, rucksack or pocket; so you can take your content anywhere and everywhere. The GoFlex™ Slim performance drive is not only thinner than most external drives, it also offers 7,200 RPM performance and USB 3.0. The faster drive speed takes full advantage of the included plug-and-play USB 3.0 interface, allowing for up to 10 times faster transfer speeds. USB 3.0 is backward compatible with USB 2.0 (at USB 2.0 speeds), offering further interface flexibility. Install the preloaded NTFS driver on a Mac and use the drive interchangeably between PC and Mac® computers without formatting or performance loss. Premium automatic backup and encryption software is also preloaded on the drive for ease of installation.

Highlights

- Sleek, ultra-thin anodised design
- USB 3.0 plug and play
- High performance 7,200 RPM drive
- Use the same drive interchangeably on both Mac® and PC computers
- Premium backup software with encryption
- 3-Year Limited Warranty

Seagate® GoFlex™ Slim

Performance Drive

- Product Dimensions** 4.91in L x 3.07in W x 0.354in D (124.8mm x 78mm x 9mm)
Weight: 0.3564lb (0.162kg)
- Retail Packaging Specs** Box dimensions: 6.30in L x 2.56in W x 4.21in D (160mm x 65mm x 107mm)
Box weight: 0.6138lb (0.151kg)
Master carton dimensions: 8.98in L x 5.59in W x 7.01in D (228mm x 142mm x 178mm)
Master carton weight: 2.783lb (1.267kg)
Master carton quantity: 4
Master cartons per pallet: 210
Pallet dimensions: 44.49in L x 39.13in W x 47.60in D (1,130mm x 994mm x 1,208mm)
Pallet weight: 629.50lb (284.5kg)
Pallet layers: 6

Performance 7,200 RPM

- Software Requirements**
- Windows® 7, Windows Vista®, Windows® XP (32-bit and 64-bit) operating system or
